

FUNDRAISER BENEFITTING SACRAMENTO CHILD ADVOCATES, INC

26th Annual CALIFORNIA INTERNATIONAL MARATHON

Folsom to Sacramento • Dec. 7, 2008

Anthony (Tony) McClaren is running the California International Marathon on behalf of Sacramento Child Advocates, Inc. To create excitement and to symbolize the importance of sports in the lives of all children, Anthony will run the marathon with a rugby ball under his arm. He will use nothing to keep the ball attached to his body; it will be carried with determination and will.

Sacramento Child Advocates, Inc (SCA) advocates for abused and neglected children who have been placed in the foster care system, and provides their legal representation. SCA's goal is to care for the Sacramento community's foster children and provide opportunities to improve their lives.
